

A photograph of a two-lane asphalt road that curves through a dry, hilly landscape. The ground is covered in tall, golden-brown grass. In the background, there are more hills under a sky filled with soft, white and grey clouds.

Desbloqueando Fluxos de Valor com Plataformas e Team Topologies

Erik Aceiro Antonio

Tudo é **estável**

Por que temos que
resolver isso em **3 lugares**
diferentes ?

Se der ruim **quem leva a culpa** ?

Esse banco de dados é
compartilhado, **man...**
quebrou o esquema e
gerou impactos.

Poxa mestre, **precisamos**
fazer essa alteração no
Microserviço. Consegue
ajudar nós ? **Isso impacta**
toda a empresa

Essa decisão **era nossa ou**
do outro Time ?

Precisamos **alinhar uma**
reunião com Todos !!

Estável, como
um castelo de
cartas

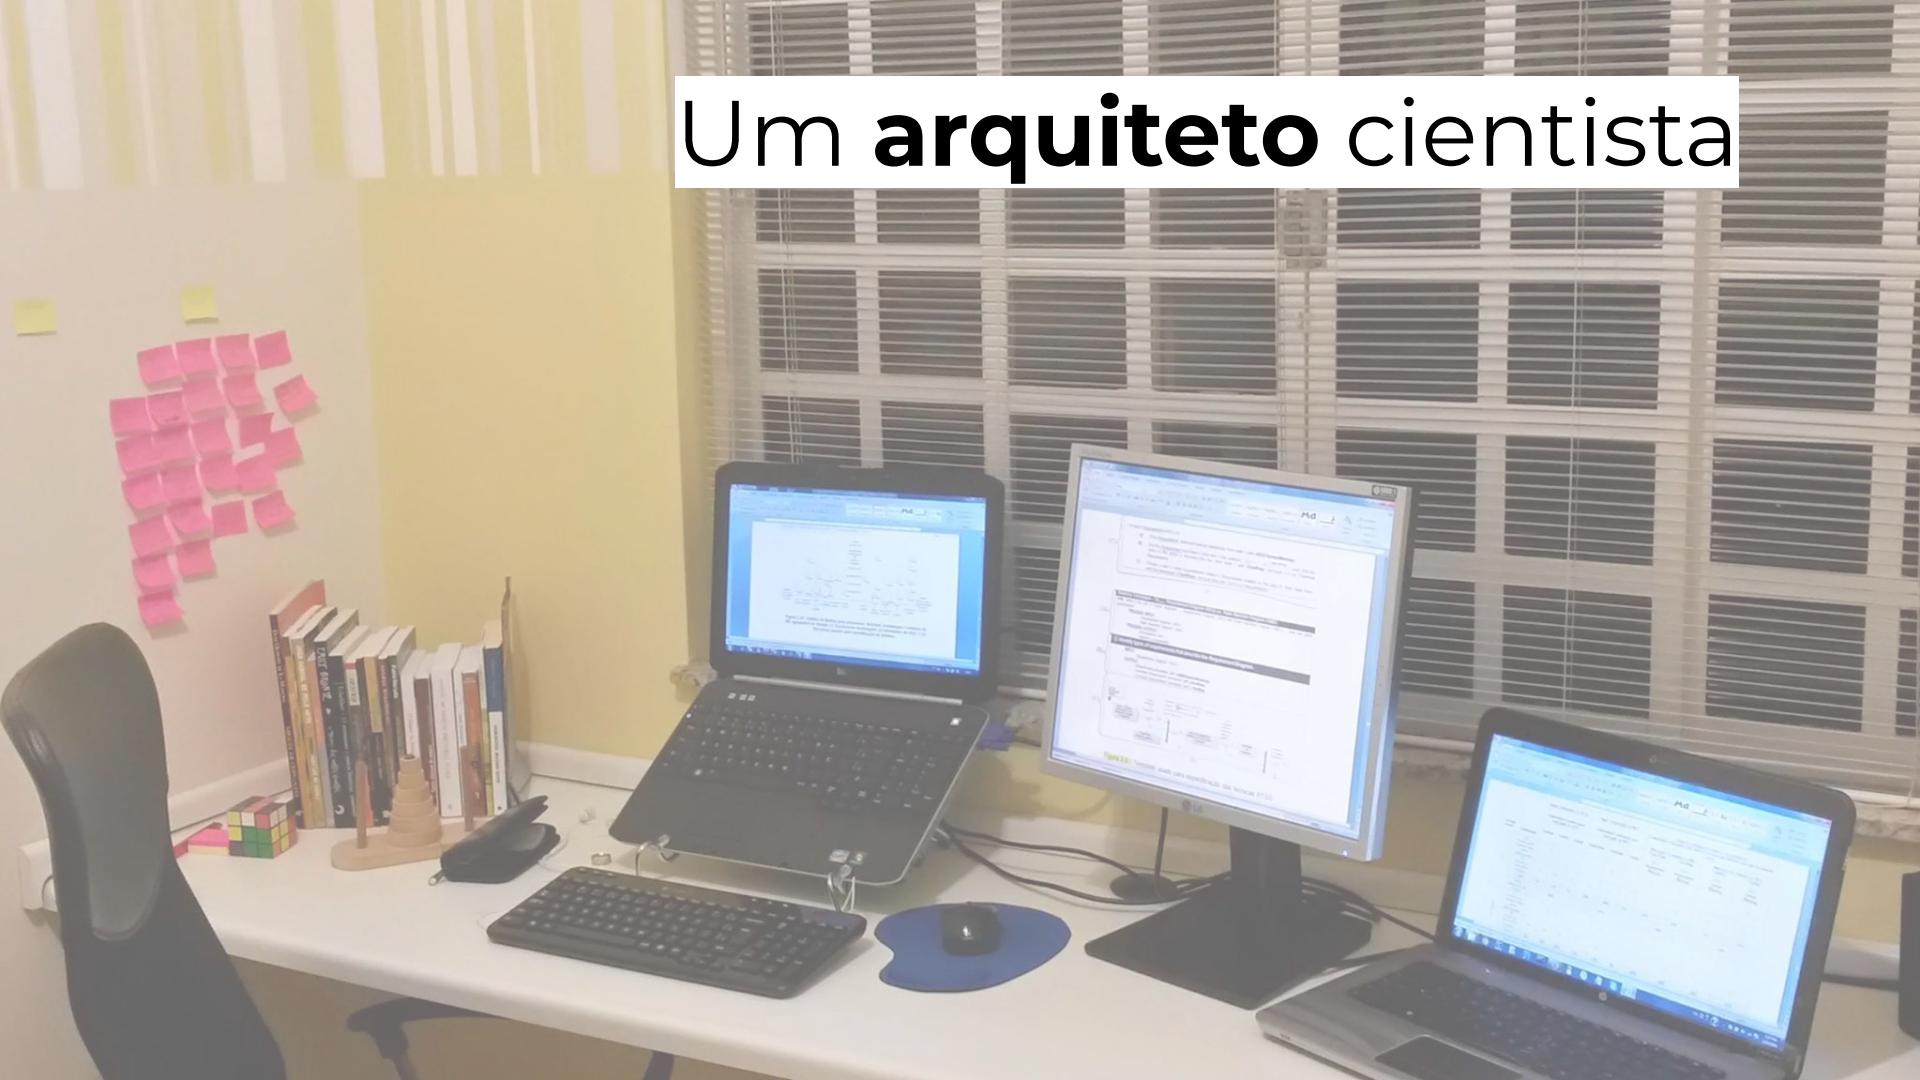

Não é sobre
código, é **sobre**
estrutura e
pessoas

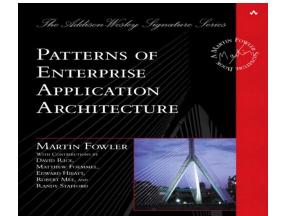

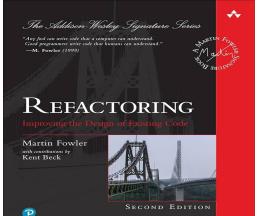

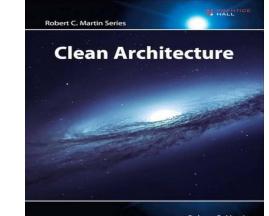

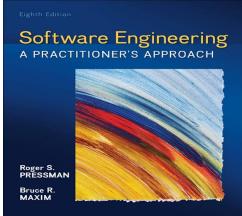

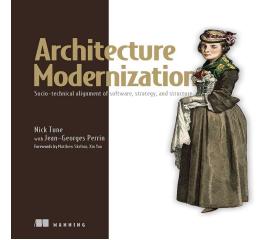

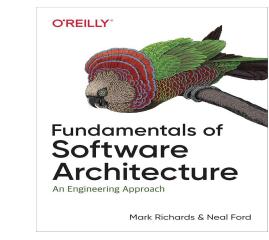

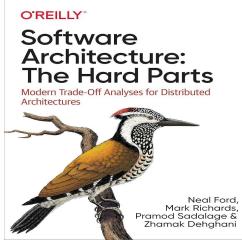

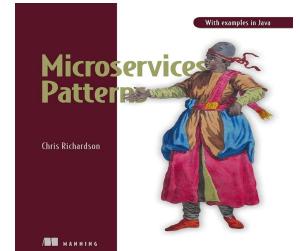

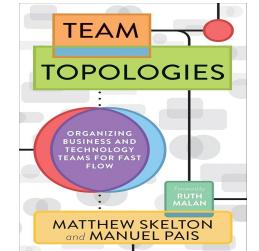

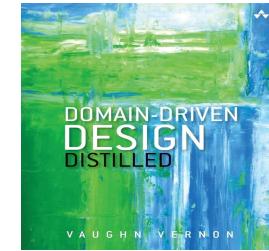

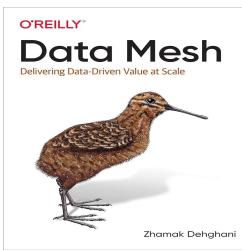

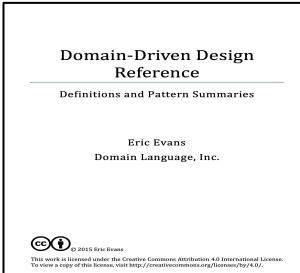

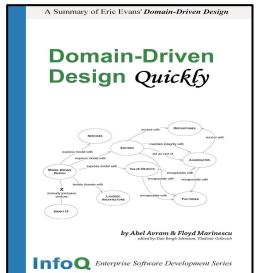

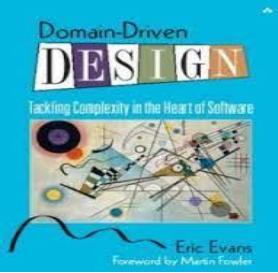

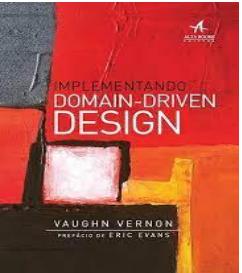

**A inquietude
sempre me
empurrou pra
entender o
“porquê”**

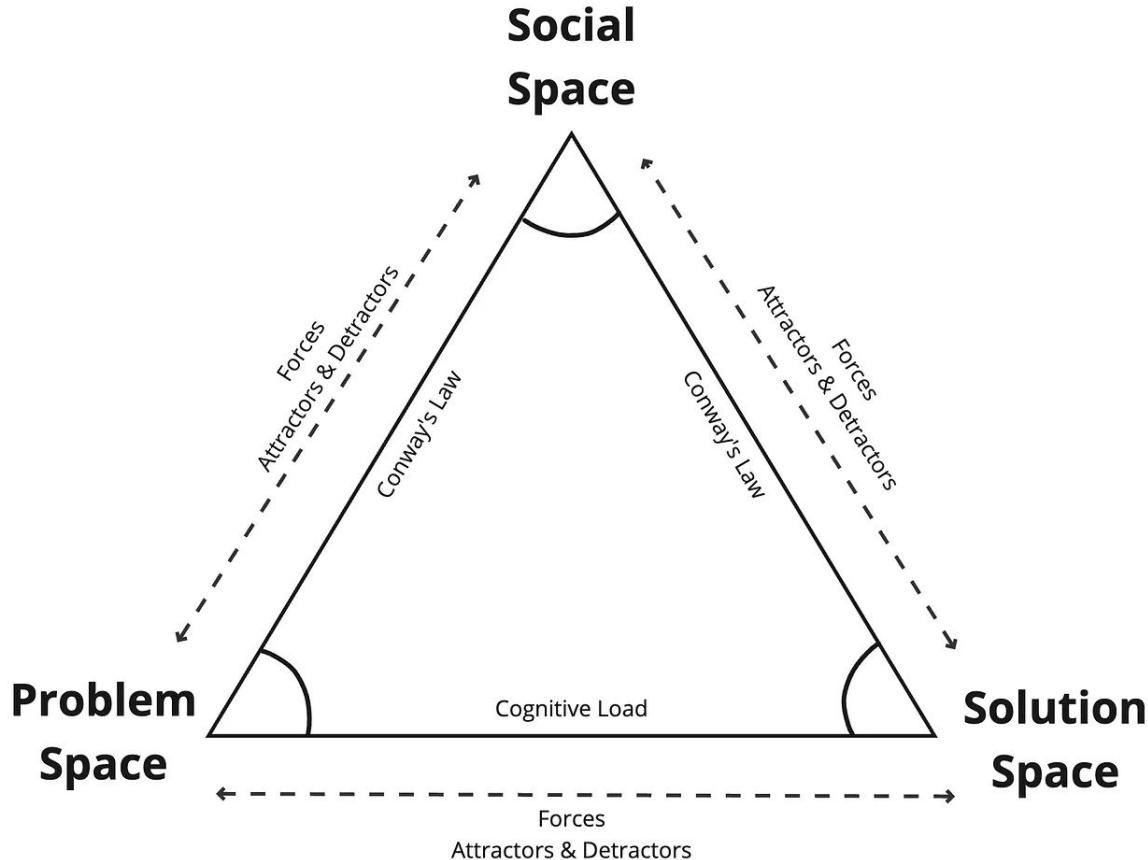

Um arquiteto cientista

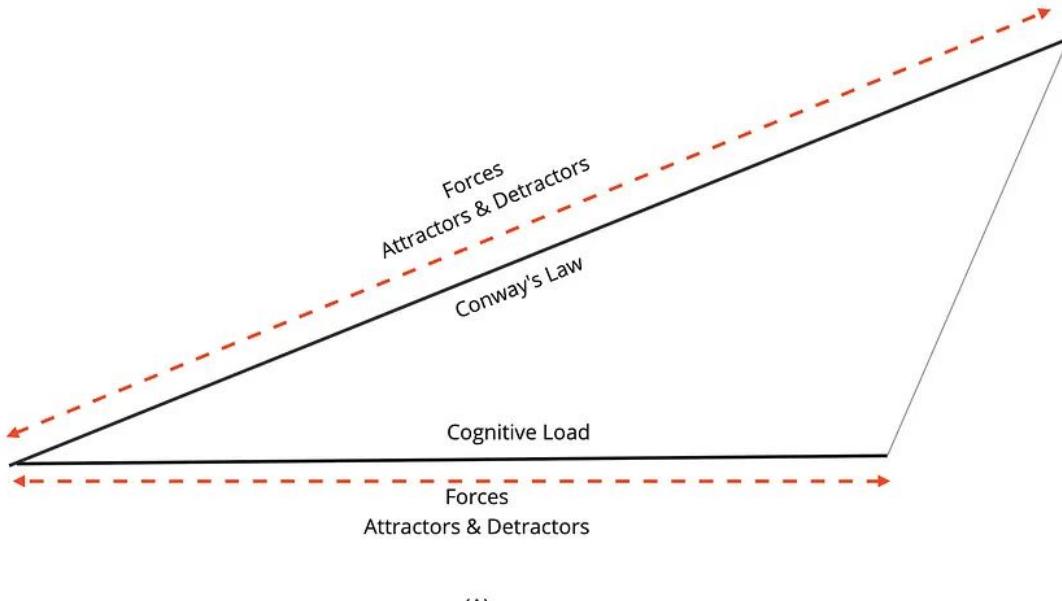

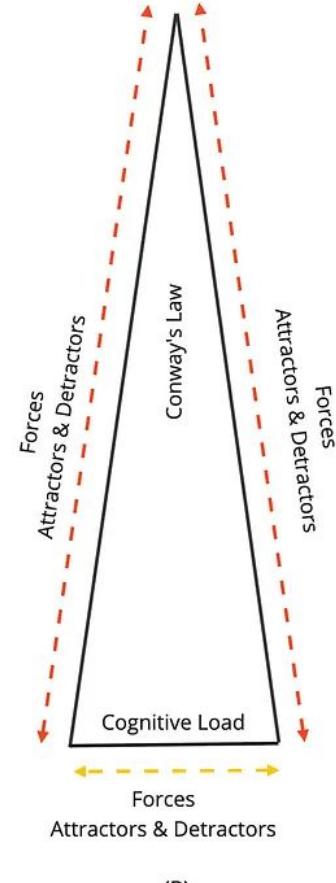

O que **destrava** o
fluxo de valor ?

usado

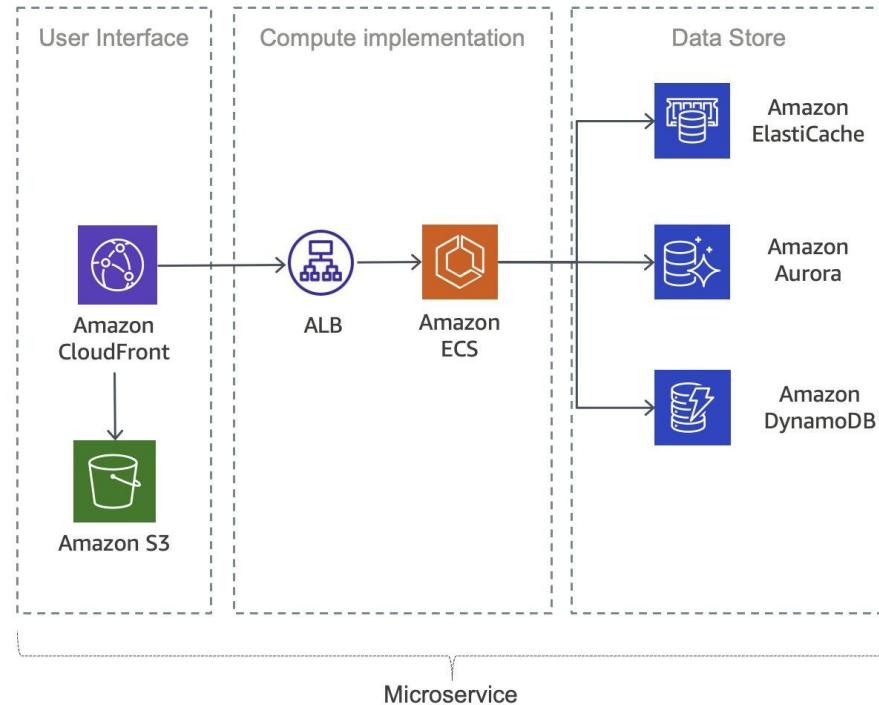

Arquitetura de Valor
não é sobre tecnologia.

**É sobre liberar
propósito.**

Pilar 3: Use a stack como meio

Propósito e valor da
stack está no porquê

**Microsserviços
são peças de
LEGO que
liberam valor
para os
negócios**

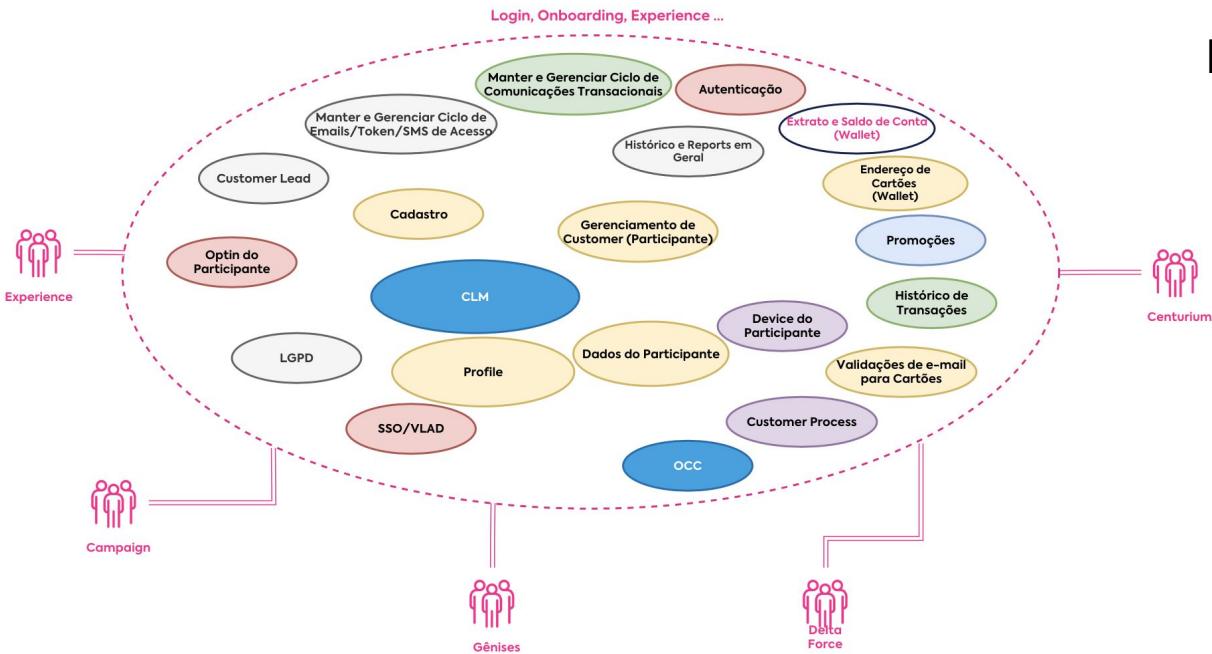

Plataformização
do **Customer**

Tem um **Bode** na

Alta Complexidade

Baixa Componibilidade

Desafios e Oportunidades

Alta Carga Cognitiva

A photograph of a person from the waist up, completely submerged in thick, brown mud. The person is lying face down in a shallow, muddy puddle. Their skin, hair, and clothing are all coated in mud. They are looking directly at the camera with a neutral expression. The mud is splattered around them, particularly on their arms and legs. The background is a darker, muddier area.

Vamos sair da lama !!

DDD e Team Topologies
te ajuda a evoluir

A photograph of a person standing with their arms wide open in front of a massive, ancient redwood tree trunk. The tree's bark is thick, textured, and reddish-brown. The person is wearing a blue plaid shirt, khaki shorts, and a white hat. The background shows a dense forest of tall, green trees under a clear blue sky.

A evolução real **começa**
quando equilibramos a
arquitetura que desenhamos
com a **arquitetura que**
vivemos

A photograph showing a man in a black t-shirt and blue jeans working on a massive vertical garden. He is crouching down, focused on a plant at the base of the wall. The wall itself is covered in a dense, lush green vegetation, with various plants and flowers growing in different layers. The structure appears to be made of dark, rectangular panels. The overall scene conveys a sense of environmental stewardship and urban greening.

Cross-Pollination são **Plataformas**
internas de crescimento reais, com
foco na **redução da carga cognitiva**
para **acelerar o fluxo de valor**

E hoje ...

Os **times** sabem qual fluxo de valor servem?

As **plataformas** estão habilitando ou centralizando?

A **estrutura** ajuda... ou **trava** o sistema?
